Since 1986, the Mossy Oak enterprise has had one true goal: get people closer to nature. So it comes as no surprise that in 2002 we launched Mossy Oak Properties, a real estate brokerage program designed to help consumers get closer to land by providing buyers or sellers of rural or recreational ground with the most knowledgeable land specialists in the business.

Our growth has been nothing short of phenomenal. We currently have over 90 franchised offices in 25 states, with more regional growth planned in the

coming months. Our three pronged program-brand, network, and services-gives our land specialists more tools tailored to the land business than any other company. Top it all off with exceptional support from the corporate office and a company culture that aligns perfectly with the land business, and you truly have a perfect fit for any individual-or size or experience of firm-that focuses on rural and recreational land sales.
